

How do I share my earned badges from my Canvas Badges Backpack?

In Canvas Badges, you can share individual badges using links, social media, or HTML embed codes. This article outlines how to share a badge using social media.

Note: Badges can be [printed on paper](#).

In the Badges tab, click the Share link.

Select Link

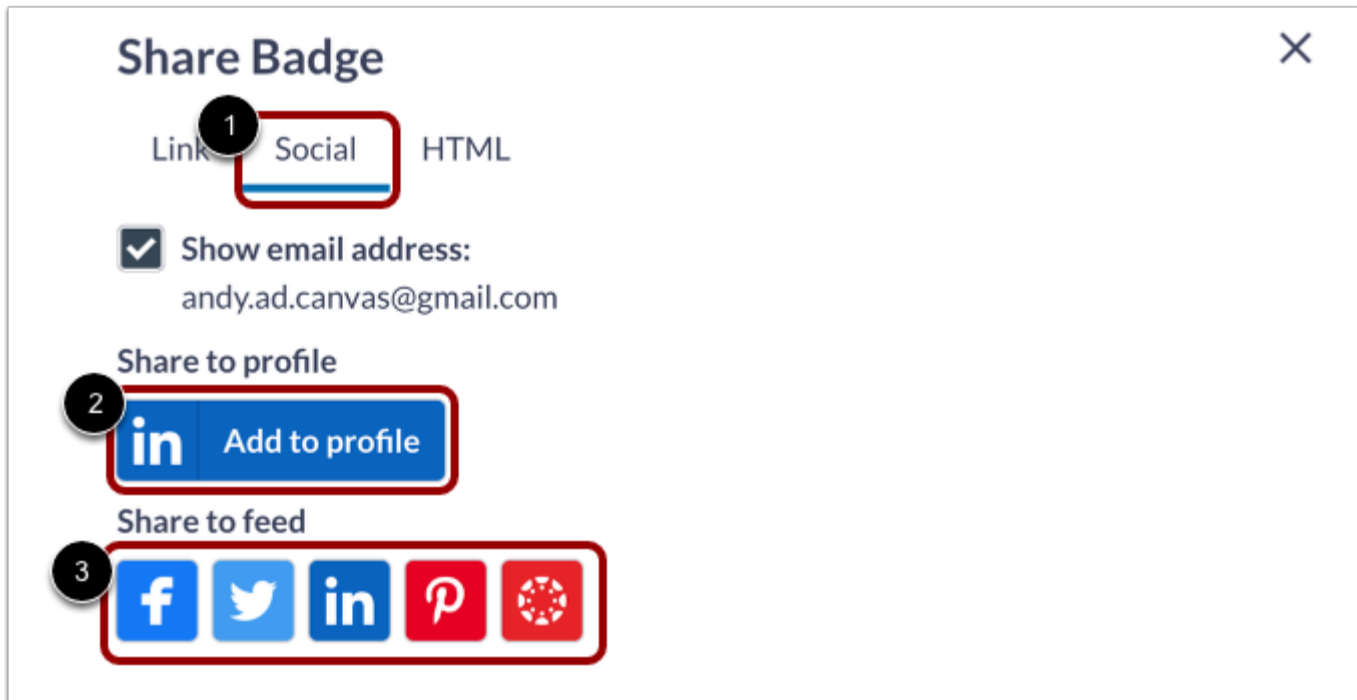

The image shows a 'Share Badge' dialog box with a close button (X) in the top right corner. At the top, there are three tabs: 'Link', 'Social', and 'HTML'. The 'Link' tab is selected and highlighted with a red box and a black circle containing the number '1'. Below the tabs, there is a checked checkbox labeled 'Show email address:' followed by the email address 'emilyboone@instructure.com'. Underneath, the text 'Copy this link to share' is followed by a text input field containing the URL 'https://api.badgr.io/public/assertions/A5b3-9fpQcaZI9JUIDTVNQ?identi'. To the right of the URL is a 'Copy' button, which is highlighted with a red box and a black circle containing the number '2'. At the bottom left of the dialog, there is a link that says 'Open in new window'.

Select the **Link** tab [1].

To share a link of your earned badge, click the **Copy** button [2].

Select Social

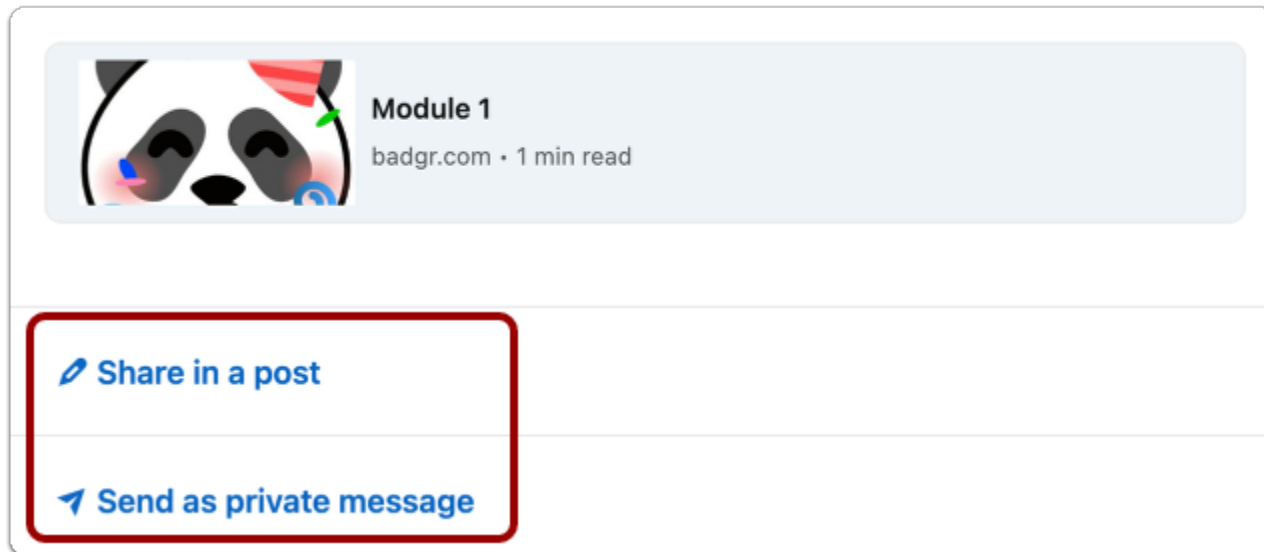

Select the **Social** tab [1].

To share the badge to your LinkedIn profile, click the **Add to profile** button [2].

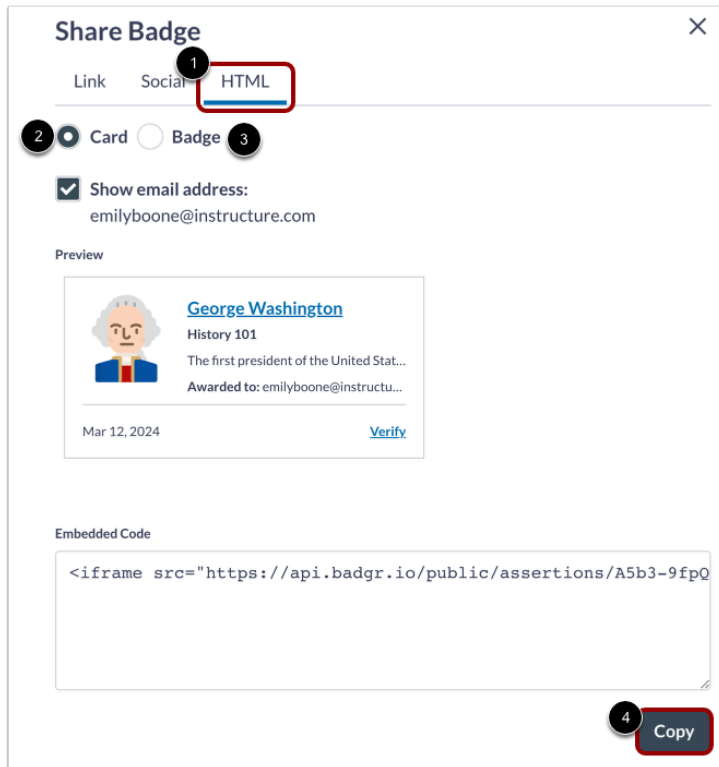

To share it on your social media feed, click the social media icon [3] you would like to share it to.

Post Badge

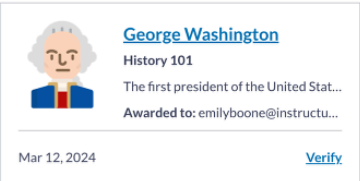

Follow the prompts on the social media you picked to share the badge.

Select HTML

The "Share Badge" dialog box is shown with the following elements:

- 1** The **HTML** tab is selected and highlighted with a red box.
- 2** The **Card** radio button is selected.
- 3** The **Badge** radio button is unselected.
- ☒ **Show email address:**
emilyboone@instructure.com
- Preview**
